

CORPORATE SOCIAL RESPONSIBILITY POLICY

- Radhesham Wellpack is a socially responsible organisation. We recognise CSR as an integral component in discharging its responsibility towards society, the environment, and its resultant ecosystem.
- We are committed to supporting sustainable development through effective programmes at various levels. To ensure this, we focus on,
 - Environment sustainability and rural development
 - Healthcare, including preventive health checkups & treatments
 - Promotion of education & skill development
 - Financial assistance to orphanages, old age homes, and differently-abled centres
- We have established a CSR Committee as per the provision of the Act. that recommends activities to be undertaken by the organisation as specified in Schedule VII.
- In every financial year, we will pledge at least 2 per cent of the average net profits made during the 3 immediately preceding financial years.
- Any surplus arising from the CSR activity will never form part of our business profits.
- We will undertake CSR activities primarily in and around our operations.
- We will execute the CSR activities directly or through NGOs, Welfare Trusts, among others.
- Radhesham Wellpack will monitor the progress of the CSR projects and activities regularly with respect to the quality of its implementation, impact, cost, and schedule with the same vigour as its business activities.

This CSR policy attests to our commitment to creating a sustainable and responsible corrugated packaging industry.

Radhesham Wellpack is dedicated to achieving these CSR objectives and making a meaningful difference.
